## **Catfish Like a Pro** John E. Phillips

After an unsuccessful try at becoming a commercial catfisherman, the author chose to stay in college and finish his degree, but finding and catching catfish always has intrigued professional outdoor writer John E. Phillips. Throughout the rest of his life, he has continued to search out some of the best catfishermen in the nation and learn their tactics for how to catch catfish. Many of the strategies you'll learn in this book come from the men who earn a portion of their living guiding and competing in professional cat-catching tournaments. Whether you want to learn how to catch catfish sitting on the bank or in a boat or fishing calm water or the turbulent waters that come from hydroelectric plants, this book has the best tips from some of the most-productive catfishermen who've learned the secrets of Mr. Whiskers through many years of trying a wide variety of different baits under various types of fishing conditions. You'll learn about the fishing tackle you'll need, the various methods you may employ and the strategies you can use to catch the most catfish. Although the catfish is not a glamour-fish like the trout, the walleye, the bass, the crappie or even the bluegill, when its fillets are put on the platter and prepared with one of the recipes in this book, you easily can understand why the catfish is one of the most sought-after freshwater species in America. To add to the catfish's popularity, it is found in almost every creek, river, lake, tailrace or puddle of water that you can jump across. The catfish is America's fish, and it's been feeding mankind since the beginning of time. If you want to catch good groceries that fight hard and are delicious to eat, learn how to fish like a pro in this book. This edition is printed in black and white.
