Developing Life-Changing Bible Study Curriculum Phyllis Bennett

Developing Life-Changing Bible Study Curriculum is a training manual to empower men and women to effectively create and design Bible study curriculum for their church settings to be used for Bible studies, Sunday School classes, or co-ed evening groups. Many ministries are eager to provide Bible study curriculum for their own church or ministry settings but lack the necessary tools to train individuals and curriculum writing teams to produce excellent curriculum. This manual has been designed to be a step-by-step workbook used by individuals, by a trainer with a group of aspiring curriculum writers, or for a group to work through together without a trainer. Some have described this manual as one-stop shopping for training curriculum writers to create excellent curriculum as all the tools for one's toolkit can be found within its pages—biblical tools, how to write excellent questions for both thinkers and feelers, how to train curriculum writing teams, and how to select and enhance published Bible study workbooks.
