Iron & Velvet (Kate Kane, Paranormal Investigator) (Volume 1) Alexis Hall

First rule in this line of business: don't sleep with the client.

My name's Kate Kane, and when an eight-hundred-year-old vampire prince came to me with a case, I should have told her no. But I've always been a sucker for a femme fatale.

It always goes the same way. You move too fast, you get in too deep, and before you know it, someone winds up dead. Last time it was my partner. This time it could be me. Yesterday a werewolf was murdered outside the Velvet, the night-time playground of one of the most powerful vampires in England. Now half the monsters in London are at each other's throats, and the other half are trying to get in my pants. The Witch Queen will protect her own, the wolves are out for vengeance, and the vampires are out for, y'know, blood.

I've got a killer on the loose, a war on the horizon, and a scotch on the rocks. It's going to be an interesting day.
