Routledge Library Editions: Historiography: Gyula Szekfü: A Study in the Political Basis of Hungarian Historiography (Volume 35) Irene Raab Epstein

This study explores the connection between politics and historical scholarship in the case of the Hungarian historian, Gyula Szekfü, whose career spanned one of the most significant and eventful periods of Hungarian history. His writing is particularly suited for an inquiry into the relationship between politics and historiography because the changes in Szekfü's political and historical points of view paralleled the drastic changes which occurred in Hungary.
