SELF-HELP 8: MOTTOS OF LIFE! (Live a new life..... Live in your new world....): Helps you to realize your love,happiness,work,discipline, responsibility, courage,self-believe & determination.

Birister Sharma

Before the beginning of any battle the soldiers always cried out the shrilling slogans (mottos). Why they did these slogans (mottos)? They did these slogans (mottos) in order to motivate and encourage among themselves. These slogans (mottoes) gave them tremendous energies, strengths and powers to march ahead in their battle. They charged up and boast up their hidden potentials; and then they defeated their fierce enemies in the battle field heroically.

Similarly, in the battle of life you need the shrilling slogans (mottoes) in order to rise up your slumbering valor. These slogans (mottos) awake you and bestow you energy, strength and power to achieve your goals of life.

You always see the raising balloons in the open sky. Do you know why these balloons raise up in the air? This is because they are filled with hot air, and the hot air always helps the balloons to rise up in the air.

In the same way, you need strong motivations and encouragements to rise up in your life.

Always keep your mottoes of life in order to motivate and encourage yourself.
