The Summer Lake contemporary romance series follows a group of friends from a small lakeside town in the California hills. They have kept in touch over the years and now, in their early thirties, their lives are drawing them back to Summer Lake and to each other.

Book 1: Love Like You've Never Been Hurt

Emma Douglas came to Summer Lake as an orphan twenty three years ago. After losing her parents so young and later suffering a disastrous marriage, she believes that love only ever leads to pain and loss.

When she meets Jack Benson, the business partner of her childhood friend Pete, she sees everything she used to long for in a man; tall, dark, and drop dead gorgeous! Despite their undeniable attraction, Emma is too scared to risk her heart, especially on a man so much like her ex - sexy, smart, funny, successful and no doubt the same kind of cheat!

When events lead them both to Summer Lake for the summer, will Jack be able to persuade her that he's nothing like her ex in all the ways that really matter? That the love she used to dream of isn't a little girl's fantasy, but a reality they can share if she can get past her fear and learn to trust?

Book 2: Work Like You Don't Need the Money

Holly Hayes is a realist, if nothing else. She's going to be Maid of Honor at her best friend, Emma's wedding in Summer Lake. Pete Hemming, self made millionaire, powerful CEO, all around good guy, is going to be the Best Man. If they're going to be able to get through their official duties, there's one thing they'll need to deal with first. Sex!

He may be out of her league socially and financially, but one thing is clear. He wants her. She wants him. What's the harm in one night of passion? It's inevitable they're going to end up naked together. So it's best to get it out of the way early, right? So they can get on with organizing the wedding.

Pete Hemming is a man with a plan. He's lived his life by the plan, built his business by it. The plan doesn't allow for a woman in his life, only in his bed. Trouble is, once he gets Holly into his bed, he can't get her out of his mind. But he can't let her into his life, can he?

Book 3: Dance Like Nobody's Watching

Missy Malone has had a great summer, watching her friends meet wonderful guys and fall in love. She even has a wonderful guy in her own life. Trouble is, he's only in her life to mentor her son, Scot. She just has to stop daydreaming that he could be as good for her as he is for Scot. What would he ever see in her anyway? She's a broke single mom who talks too much, while he's a quiet, shy, tech genius. And besides...he has a girlfriend!

On paper, Dan Benson has a great life in San Jose. His software development company, his penthouse apartment, his car, and his girlfriend are all supposed to make him feel happy and successful. None of them

do. Until he started visiting Summer Lake, he'd always been more comfortable around computers than people. These days he's comfortable hanging out with his brother, Jack, and his friends. He feels successful when he's helping Scot. Most of all, he's happier than he's ever been, when he can spend time with Missy.

Will the attraction between them be enough to overcome the differences and obstacles that stand in their way?
