In part 2 our group of survivors split up. Ash, Sheriff Ellie and army deserter Chad try to leave Pasture Down and head toward the city. Tensions are already high, as Ellie hates Ash for what he did to the town, and Chad seems to have his own problems.

They soon find that a simple journey is turned dangerous in a post-EMP America. They must learn to battle nature and other people as the world descends further into chaos, but Ash won't let anything stop him from getting back to his wife. He needs to remember his long-lost survival skills if he is to make it in a post-apocalyptic country.
