**Have you ever thought about investing in the stock market but weren't sure where to start or what to buy? Share investing is easier than you think!**

Women are becoming increasingly financially savvy. They want to improve their financial future and are looking to the stock market to help them achieve their goals. **Tracey Edwards** is one of these savvy investors. In this completely revised edition of the best-selling *Shopping for Shares*, she let you in on her investing secrets and step-by-step plan for researching and selecting the right companies at the right time so that you too can profit from the stock market.

Written in a no-nonsense, conversational style *Shopping for Shares* will show you:

- how much money you need to start investing—it's less than you think
- the psychology of making your first trade—it doesn't have to be scary
- 'rules' for trading in the short term or investing for the long term
- the best times to buy and sell
- what you should do when the market takes a downward turn
- how you can still invest if you don't have a lot of time—a.k.a. the 'lazy girl's guide to investing'.
