A Warrior Blends with Life: A Modern Tao Michael LaTorra

Tao Te Ching, or *The Classic of the Way and its Virtue*, is considered to contain the essence of Taoism. For 2,500 years this book has been a major influence on Chinese thought, shifting it from a preoccupation with Confucian rules of day-to-day conduct to concern with a more spiritual level of being. Author Michael LaTorra's training in internal martial arts and his understanding of the new physics influence his reading of the *Tao Te Ching*, grappling with the vicissitudes of contemporary culture and the ever-shifting nature of reality.
