Dark Run (Keiko) Mike Brooks

In this debut space epic, a crew of thieves and con artists take on a job that could pay off a lot of debts in a corrupt galaxy where life is cheap and criminals are the best people in it.

The Keiko is a ship of smugglers, soldiers of fortune, and adventurers travelling Earth's colony planets searching for the next job. And they never talk about their past—until now.

Captain Ichabod Drift is being blackmailed. He has to deliver a special cargo to Earth, and no one can know they're there. It's what they call a dark run...And it may be their last.
