Welcome to the art of papercraft! Artist Ellen Giggenbach has been making 3D papercraft models for years. Now she shares her designs, tips, and artwork to teach crafters how to make a variety of eye-catching animal creations. In addition to "keep sheets" with detailed step-by-step instructions, this book features beautiful pre-printed templates to fold into 3D animal models. Readers can scan or photocopy each template to create an endless supply of critters before folding the colorful templates to create everything from a turtle to a butterfly. More than 200 stickers are also included to embellish the models once they are complete.
