## **Say You'll Love Me (Unexpected Suitors)** Ally Broadfield

She may be his favorite mystery... All of Lady Abigail Hurst's dreams seem to be coming true when at long last her childhood sweetheart asks for her hand. But when a maid is found dead, and her betrothed is the chief suspect, Abigail begins to wonder just what manner of man she's marrying... The Marquess of Longcroft, Edmund Townsend, has always preferred complex mathematical equations to the trappings of society. And love? Love is a non-quantifiable concept. Still, Lady Abigail is his sister's friend, and he finds himself drawn into the mystery of her affianced... even as he begins to anticipate Lady Abigail's company with unfathomable pleasure. Investigating the murder may reveal more than the sordid truth. It may just reveal the love Abigail always wanted... a little too late.
