The Science Museum, The Sun

The Giant Leaps: Mankind's Greatest Scientific Advances The Science Museum, The Sun

In an exciting new collaboration, the catchy and entertaining headlines of the "Sun" are brought together with the academic expertise of the Science Museum to produce this approachable book that is both fun and fascinating. Each double page spread features a mock-up of the front page of the "Sun" on one side, headlining an important scientific discovery, while on the other side there is a more detailed examination of the facts by the experts, including pull out boxes to highlight key issues. Featuring fantastic colour illustrations and photographs throughout, this book will provide a wide overview of scientific invention and discovery in a way that is accessible to all.
