[Read by Kelly Ryan Dolan]

Every boy dreams of being a hero and living a life of adventure and risk. Sadly, most men abandon those dreams, aided by a Christianity that feels like nothing more than pressure to be a "nice guy." -- In this provocative book, Eldredge gives women a look inside the true heart of a man and gives men permission to be what God designed them to be--dangerous, passionate, alive, and free. -- John Eldredge believes that God designed men to be dangerous. Simply look at the dreams and desires written in the heart of every boy: To be a hero, to be a warrior, to live a life of adventure and risk. Sadly, most men abandon those dreams and desires, aided by a Christianity that feels like nothing more than pressure to be a "nice guy." It is no wonder that many men avoid church, and those who go are often passive and bored to death.
