Echo is so much more than just an elevated Bluetooth speaker that tells you what the weather is. This little powerhouse of a device is constantly changing with new developments in ways to implement Alexa into daily life. The best part about it all: you can build your own 'skills' and essentially train your Echo to do exactly what you want it to do for you.

#### **The possibilities are endless. We will discuss:**

- Going through the Setup
- Addressing the Settings
- Customizing Voice Commands
- Building Your Own Skills
- And more.
