Victor Whitechurch, the clergyman turned mystery writer, well recognized for his detective "Stories of the Railway", was admired by Ellery Queen and Dorothy L. Sayers for his "immaculate plotting and factual accuracy: he was one of the first writers to submit his manuscripts to Scotland Yard for vetting as to police procedure."

Downland Echoes analyzes the life of a small village and the interaction of all the characters that live in it, in the day to day situations, from funerals to the visit of a Bishop.
