Emi Lost & Found series - Winner of the Best Happily Ever After of 2013 - HEA Bookshelf

“I loved how comfortable Nate and Emi were with each other, even from the first time they met. It was easy for them, they could relate, they found truth and love in each other. I just LOVED it.” - Daniela Conde, Lost in a Book Blog

In December of 1994, when she was a junior in high school, Emi Hennigan discovered her father's infidelity. Forced to transfer schools mid-year, she wasn't trying to make new friends. In that same month, sophomore Nate Wilson's girlfriend broke up with him. Searching for someone to fill the void left by his first love, he meets Emi in his art class.

Nate knows he wants Emi from the moment he sees her. Emi knows she needs Nate after one night together. A life-long friendship is born, and a pact is made to ensure that nothing will come between them.

This novella is the prequel to the Emi Lost & Found series. After the 3-volume series was published, readers wanted more. This is for them – the story of how Nate and Emi met – and although it's a prequel, it can be enjoyed before or after the series.
