Oregon's Merry Trickster: Ken Kesey's Coastal Legacy, by Dave Masko. When Dave Masko interviewed famed Oregon writer Ken Kesey, he could still remember the sixties as if he wasn't there. Kesey enjoyed playing with words and ideas. For instance, Kesey believed that, "You don't lead by pointing and telling people some place to go. You lead by going to that place and making a case." Masko first "reported" about Kesey when, as a freshman high school student at Holy Spirit High School, in Absecon, New Jersey, he produced his first book report. The book was Kesey's "Sometimes a Great Notion," and Masko quoted from the book about, "The past is funny... it never seems to let things lie, finished. It never seems to stay in place as it should. Masko later joined the Air Force and became a photojournalist for 24 years on active duty. During this period, Masko followed Kesey's lead when it came to the job of a writer "is to kiss no ass, no matter how big and holy and white and tempting and powerful." Masko describes Kesey as a "breath of fresh air in a sea of mediocracy," while also appreciating the author's life focus, "for mystery, not interpretive answers... The answer is never the answer. What's really interesting is the mystery. If you seek the mystery instead of the answer, you'll always be seeking." Masko dubs Kesey Oregon's "Trickster" after the nickname Kesey gave a toy bug's bunny rabbit that was a fixture next to his "Further" bus driver Neal Cassady. Masko's tribute to his late friend is a must read for Kesey admirers; while the books' detailed reports span nearly 60 years from Ken's most devoted fan.
