The Unhealed Wound: The Church and Human Sexuality Eugene Kennedy

Kennedy, a psychologist, former priest, and a leading Catholic author and scholar, addresses one of the most compelling yet undiscussed issues in the Church: human sexuality. *The Unhealed Wound* is a penetrating and insightful study of the unresolved conflicts Catholics face regarding both their sexuality and spirituality, deep conflicts which grow more and more serious as they remain unaddressed within the Church.

He astutely yet respectfully takes to task a faith that—despite the reality of erotic love as a natural and human aspect of life itself—condemns birth control, marriage for priests, and sex outside of marriage. *The Unhealed Wound* also examines the Church's formidable hierarchy, challenging those clerics who uphold papal edicts unthinkingly. Articulately postulating our need not only to understand but celebrate our own sexuality, this book will engender both controversy and heated dialogue among today's scholars, students, and believers of Catholicism.
