22 Britannia Road (Spanish Edition) Amanda Hodgkinson

Esta es la historia de una pareja de polacos que se reunen en Londres al terminar la Segunda Guerra Mundial para empezar una nueva vida junto a su hijo pequeno, pero nada es lo que parece. Lo que deberia ser un reencuentro feliz empieza a complicarse por la falta de comunicacion en la pareja despues de una experiencia tan traumatica como es la guerra. No en vano han estado separados (el, en el frente; ella, escondida en los bosques de Polonia con su hijo), y ya nada parece poder fluir como antes. Ambos tienen secretos inconfesables: el estuvo enamorado de una mujer durante el frente y ella perdió al hijo que tenían, de modo que el niño ni siquiera es su hijo. / ""Housekeeper or housewife?"" Silvana and eight-year-old Aurek board the ship that will take them from Poland to England at the end of World War II. There her husband, Janusz, is already waiting for them at the little house at 22 Britannia Road. But the war has changed them all so utterly that they'll barely recognize one another when they are reunited.
