Double-Sided Witch (Covencraft Book 3) Margarita Gakis

Jade may be losing her mind. Or gaining a piece - she's not sure. Something she thought was dead inside her is waking up. Something she thought she'd lost years ago.

Someone she thought she'd lost years ago.

Lily.

Each night, Jade dreams of her childhood, of a lake, of Lily, and of a strange, cloaked woman who will not show her face. Jade starts sleepwalking and losing control of her powers. Coven witches complain of abnormal magic in the Nature Preserve and Jade doesn't know if she's responsible for it or not. Her lizard familiar, Bruce, is showing signs of sickness - something that only happens to familiars when their witch is ill. Her body isn't made to hold the kind of power she has; maybe the stress of being a witch is finally catching up to her. Jade needs help. Can she trust enough to ask for it? Can she accept it when it's offered? And what will happen if she does?

Continue the Covencraft story with Jade in book #3: Double-Sided Witch
