How to Use Books

Lionel McColvin

How to Use Books Lionel McColvin

First published in 1947, as the second edition of a 1933 original, this volume was produced on behalf of the National Book League. The text was written to provide the reader with a guide to the scope and variety of books, and the ways in which they could be discovered, obtained and used. This volume will be of value to anyone with an interest in the history of books and their role in society.
