Another day, another psychopath...

Killing strangers just isn't cutting it anymore for Earl Lee. It's menial work and he was meant for so much more. He's ready for his "Stairway to Heaven"...or Stairway to Hell.

Enter Lieutenant Jack Daniels and Special Agent James Beamer.

Publicity from a previous serial killer case has Daniels and Beamer mentioned on every news show and in every national paper.

Killing them will make Lee a household name. But killing them will be too easy. Lee has elaborate plans to pit Daniels and Beamer against each other in a game that will force them to make a choice — to save someone Daniels loves or someone Beamer loves.

Lee has fixed the game to make sure he is the only winner. But winning isn't as clear-cut as it looks on paper. He is dealing with Jack Daniels and James Beamer after all.

TATTOO YOU is the fast-paced thriller, filled with humor and suspense, follow-up to the Daniels/Beamer mystery ROLLER COASTER.

Also making appearances are Jack Daniels Series' favorites Herb Benedict, Phineas Troutt, and Harry McGlade.
