In this part memoir, part historical narrative, investment industry leader Riley reveals what life was really like for a middle-class Irish Catholic young man growing up in Boston during the 1930s and 1940s. Riley's tale portrays his incredible life in an accessible style punctuated with humor and humanism. With wide-ranging appeal, Riley's tale will inspire anyone from any background. His is the true story of how a man, armed only with unflappable determination, challenged the status quo—and won.
