The Complete Langston Family Saga LaShonda Bowman

With the death of their mother, family secrets surface and the Langston sisters' lives begin to unravel. Little do they know, it's going to get a whole lot worse before it gets better.

But here's another thing the sisters aren't aware of: God has been working behind the scenes and He's about to show up and show out on their behalf.

Though the trials and tribulations they face are unlike anything they'd ever imagined, God's grace not only proves to be sufficient, but abounding.

Laugh, cry and pray with the Langston family as they learn, even when those closest to you mean you harm, God is always ready & willing to turn it around for your good!

BOOK 1: He Restores My Soul

When the Langston sisters return home for their mother's funeral, it's not in grief, but in relief.

Though Mahalia Langston was known as a gospel music pioneer among the church community, her daughters knew her as someone else altogether.

The three women hope that, along with their mother, they can finally bury the secrets that plagued their childhood.

But that's no longer an option when tragedy strikes and the sisters are forced to deal with the past they've spent their whole lives trying to forget.

With the help of a praying woman, the sisters begin to think emotional healing is a real possibility. Until, that is, they learn their mother had one final secret.

A secret so earth shattering, only the grace of God will help them get through it.

BOOK 2: Then Sings My Soul

The weekend of Mahalia Langston's funeral changed her daughters lives forever. And though still reeling from the earth shattering revelation that followed their mother's death, they must return to Atlanta and their day-to-day lives.

For Kristina, that means preparing for her upcoming tour. However, the repercussions of her mother's deception can still be felt. And this time, it will lead Kristina to the last person she ever expected to see again, her first love...

Omar Williams has everything – money, looks, a daughter he adores and, most importantly, a relationship

with Jesus. But that doesn't mean he isn't plagued with heartache over his past.

So when he gets a second chance at first love, he knows it's God answering his longtime prayer. What he didn't expect was the seemingly insurmountable obstacles that would come with that second chance.

As events unfold—amidst secrets, lies, revelations and betrayals—he's faced with a heartbreaking choice. A choice only God Himself can give Omar the strength to make.

BOOK 3: My Soul Is Satisfied

Kristina Langston had never been happier. After recommitting her life to God and reconnecting with her first love, she was ready to live the “more abundant” life she'd read about.

Then, in an instant, everything changed.

Instead of looking forward to a summer of getting to know and love her newfound family, she finds herself rushing into an overcrowded emergency room, in search of the people she loves most.

In this, the final installment of the Langston Saga, the family is faced with their greatest obstacles yet. Before it's all said and done, they'll make choices they never imagined they would and say goodbye to loved ones they never expected to lose.

But in the face of so much tragedy and loss, will they be able to keep the faith? And even if they can, will it be enough?
