Over the last 21 plus years I have had the opportunity to measure some of the greatest bucks ever felled by hunters. Within this volume you will be able to read about the harvest of many 200 plus inch deer taken across the great U.S.A. Check out the story of 'The Living Room Buck' that graces the cover. And the search for the Ryan Stolz 286+ inch Iowa buck. Then there is one about a Louisiana man that drove to Illinois to tag a 223+ monster with his compound bow! Relive the story of Mike McCabe's 220 inch Ohio buck and what he went through to reclaim his prize from another hunter. Then follow up with the story of the Canada hunt which left him paralyzed from the chest down for the rest of his life, a terrifying yet true account of his tragic tree stand failure. They are all here including 30 additional great hunts for America's favorite big game animal, the whitetail deer.
