The best-selling series available for the first time in one complete edition!

My mother always said that the best way to get over a man is to get under a new one.

Genevieve

It wasn't supposed to be like this. All I ever wanted was a normal mother, a normal boyfriend and a normal life. What I got was a shameless Gold Digger for a mother and a boyfriend who left me for a girl who looks like a blow-up doll.

I thought things couldn't get worse. Then my mother announced she was marrying her Sugar Daddy, Luke. Luke was perfectly hot and perfectly rich. So what was he doing marrying a Gold Digger like my mother?

I soon found myself in the middle of a dangerous scandal. Even at eighteen, I should have known better than to let myself be seduced by an arrogant, hot guy like Luke, but I couldn't resist his sinful body. Now I'm embroiled in drama I didn't ask for and I don't need.

Either way, no one cares what I want. My mother and Luke have plans of their own. The question is: What do they want from me? And why?

Luke

I don't take no for an answer. Do you want money, power, success, a hot girlfriend? No one's going to give it to you, you have to take it.

Some people call me a manwhore because I think it's best to keep things casual with women. At least, I used to feel that way until I met Genevieve.

There's just one problem: her mother. She's determined to marry me and suck me dry of every penny I have.

I won't be blackmailed and I won't settle for less than what I want. But Genevieve might be the girl to change me-- if her mother doesn't destroy us first.
