This was the first review my book recieved. I put it here because her words were so touching.

"Wonderful heartfelt book. Couldn't put it down.

One woman's journey of personal redemption after experiencing a Near Death Experience.

Her story has a profound message of unconditional love available to all and that no matter how difficult one may think of this life or of little value one has as a human being, her experience indicates we all have a unique purpose and there is a God who loves all just as we are.

Gives hope for those who have lost a loved one or are fearful of death in that we don't die. One of the most honest, easy to read NDE stories. Highly recommended for anyone seeking to know what might happens after we die, or even if by suicide."
