Historia del Movimiento de Recuperación Revolucionaria: A los 100 años de Yara (Spanish Edition)

Salvador E. Subirá

Este libro se escribe como una obligación hacia las futuras generaciones de Cuba, que deben tener el derecho a conocer en profundidad los controvertidos acontecimientos políticos de su país en la segunda mitad del siglo XX. Publicarlo es importante, porque durante el medio siglo de totalitarismo sufrido por el pueblo cubano, el régimen monopolizó todos los medios de comunicación y manipuló todos los registros políticos y de prensa para la exclusiva exaltación de su quehacer, y silenció la encarnizada lucha que buena parte del pueblo sostuvo por la defensa de la democracia. Esta es la historia del Movimiento de Recuperación Revolucionaria (MRR). Las causas de su aparición, su proceso de formación y sus ideas. Los integrantes del MRR no fuimos soldados de ninguna potencia mundial, pero sí fuimos patriotas que luchamos por la libertad. Y le agradecemos a Dios la oportunidad de poder darle trascendencia y valor a nuestras vidas con una lucha heroica que honrará, ya para siempre, la historia de la patria cubana.
