Jordyn wasn't careful with what she wished for.

After making a reckless choice that destroyed her life along with the life of her high school sweetheart, Jordyn fled her small town and became a professional mermaid. Being around water suppresses her earth-based magic, something she desperately needs.

Yet Jordyn can't suppress who she really is --- a witch.

When she learns that her mother is dying of cancer, she returns home. But it isn't until people end up dead and everyone points fingers at her that she realizes her past is coming back to haunt her. Because her ex-boyfriend Zach has been waiting for her. And he hasn't forgotten how she brought him back to life that night three years ago.

Jordyn will finally have to embrace being a witch to learn the truth. And it will change her life forever.

** I'd Rather be a Witch is a tie-in with How to be a Mermaid. It uses some of the same characters and can be read as a standalone or as a complement to it. **
