To this day, there has not been a single Creeper who has lacked the ability to explode. It appears to be something they are all born with. Until now.

Trigger is one of the many Creepers that inhabit the world of Minecraft. The only difference is that he can't explode. Constantly mocked by his fellow Creepers, his one and only wish is to be normal.

But when humans threaten to destroy the Creeper nest, Trigger sees this as a chance to prove he isn't useless. Join him on his quest to defeat the people who threaten his home and finally find happiness among his kind. An adventure filled with action and courage.

Diary of a Useless Creeper follows the journey of Trigger. From his first introduction to an explosive, heart-pounding final battle, this book is not to be missed. The perfect gift for any Minecraft lover.
