Prophet: Allie's War Book Eight (Volume 8) JC Andrijeski

"In through the out door. Further down. Below..."

Allie and Revik race against the clock, looking for the remaining names on the Displacement List before Shadow can consolidate his hold over Earth. Meanwhile, a mysterious new player starts buying up List seers and humans on the black market faster than Revik and Allie can save them.

Whoever they are, they seem to have their own copy of the Lists, and while they aren't killing them, more and more Listers disappear into Dubai, the most heavily guarded of Shadow's quarantine cities. Before Allie can decide her next move, another group appears, this time to offer a safe haven for her family.

But as Allie finds out more about this new group, everything in her world starts to unravel. Worse, the people closest to her seem to be turning against her, including--maybe even especially--her own husband.

Series Summary

The Allie's War series is a psychic romance set in a unique, gritty version of Earth populated by a second race of psychic beings called Seers. Its heroine, Allie Taylor, was marked "The Bridge" from birth, born to be the leader of the Seer race and the bringer of the next stage in humanity's evolution. Unfortunately, to many Seers, that means the death of just about every human on the planet.

She is helped and hindered, awakened and impeded by her antihero partner, Dehgoies Revik, whose on-again-off-again relationship with the dark beings known as the Dreng may destroy them both.

The series takes place in a modern version of our world at the brink of apocalypse and a dystopian future. It spans centuries along with the lives of its main characters, the Seers, and the wars they fight with themselves and their human allies and enemies.
