Richard Shaver: Reality of the Inner Earth Richard Shaver, Margaret Rodgers

WHAT IS THE SHAVER MYSTERY? SUBSURFACE DWELLERS? SATAN'S HENCHMEN? CERTAINLY THE STRANGEST STORY EVERY TOLD! In 1944 pulp magazine editor Raymond Palmer received a mysterious manuscript from a reader of *Amazing Stories*, a highly respected science fiction monthly issued out of Chicago. Richard Shaver – who later was to be touted as a “mad genius” – claimed that he had been kidnapped – and held as a human zombie – by a demented race of hideous underground dwellers. Known as the Dero, these beings inhabit vast cavernous cities beneath our feet, and are determined to destroy all surface dwellers through mental and physical chaos. Shaver claimed the Dero implant evil thoughts into our minds by using ancient Mind Control devices. After Shaver's first article was published the circulation of *Amazing Stories* increased by 50,000 as many readers added their own accounts of being in the underworld which has been spoken of in hushed terms throughout history? This volume delves into the Shaver Mystery in gripping detail, and offers previously unpublished material from the controversial Richard Shaver. **WITHIN THESE SHOCKING PAGES YOU WILL LEARN ABOUT THE:** 1. Ancient Death Ray Machines That Are Aimed At Surface Dwellers Constantly In An Attempt To Create Havoc Among The Population. 2. Holographic Projections That Create False Illusions And Are Responsible For Unexplained Appearances of Many UFOs. 3. Existence Of Numerous Underground Races Including The “Good Guys” Known as the Tero, The Ancient Race Of Titans, And Atlantean Giants. 4. What Appear To Be Ordinary Rocks To The Uninitiated But Are Actually Picture Books For The Distant Past Containing Earth's Secret History. Says Timothy Green Beckley Of *The Conspiracy Journal*: “The Shaver Mystery Has Intrigued And Baffled Multitudes For Over Half A Century! This Update Is Essential For Everyone Interested In The Unsolved Mysteries Of The Inner Earth.”
