As more and more of us begin to open our eyes to the truth about religions, and begin to walk away from the falsehoods of religions; many are afraid of having a void, and they swiftly begin to search for some-thing to fill that void. So, we must be ready with the truth of Ma'at to fill their void. Religions have stolen our memories of our spiritual connection to everyone, and everything in creation, and we have lost, and do not remember or recognize the Ma'at, which lies dormant within us. We must be ready to reintroduce our people to the Ma'at, which lies dormant in-side them, anxiously waiting to be freed. I have sincerely endeavored to teach and to stress the significance, and the necessity for Afrakans to acknowledge, understand, accept, and do Ma'at. I have sincerely endeavored to help our people comprehend, the importance of becoming conscious of their realities, and become aware of the dangers of blindly accepting those premeditated mythologies, being deliberately and purposely implemented against Afrakan people, for the purpose of keeping Afrakans subjugated, incarcerated, and under the yoke of oppression! Many people are beginning to wake, and show interests in Ma'at. How-ever, many struggle to find correct information pertaining to Ma'at. Unfortunately, many of us have been gravely poisoned by religion, and suffer greatly from religious hangovers, religious side effects, and the detrimental after effects of religious poisoning. They do not seem to be able to escape the addictive clutches of religions. This is why I offer this anti-dote; to heal all our people.
