A Doormat No More Susan Eileen Walker

Once upon a time, she loved him and thought he claimed to feel the same for her. But their marriage changed everything between them. Nowadays, as long as she does everything he wants, when he wants, and how he wants it done, there is peace in the house and things were fine between them. Only they weren't, and it was all her fault. It was always all her fault. Then came the day she decided things had to change. That was the day she began a journey. The journey to break free from the abuse that had transformed her from a smart, funny, independent woman into a human doormat he used as his verbal kicking post. Along the way, she rediscovered herself, her strong, smart, brave self that somehow had gotten lost along the way. And along the way, she found her joy again.
