AS/A level Biology (Cambridge International Examinations) Mary Jones

Cambridge International AS and A Level Biology meets the requirements of the Cambridge syllabuses for Cambridge International AS level and A level Biology, and is endorsed by Cambridge for use with these examinations. In one volume, this textbook covers the complete AS level syllabus, the core A Level syllabus and the new Applications of Biology section. Each chapter starts with a list of learning objectives. Questions throughout the text reinforce students understanding, and the past examinations questions help with revision. The accessible language means that the material is suitable for all students, including those for whom English is not their first language.
