Security Core agent Everett is assigned a special case—protect the daughter of Simon Gold, the father of modern mechanoid life. To ensure her survival, Everett's given a special EMO upgrade, and can experience love for the first time. He's soon head over heels and the super-charged sexual attraction threatens to fry his circuits while he fights to stay one step ahead of the bad guys.

Samantha Gold detests her father's work. She's an off-the-grid back-to-lander who wants to keep life simple with her cows and her crops. When her father dies and inadvertently transfers a secret code to a hidden receptor in her brain, it's only android Agent Everett who can protect her. Can she ever forgive her father for creating Everett—a man so perfect for her that he even loves her cows?
