For Honor We Stand (Man of War Book 2) H. Paul Honsinger

In 2315, the Earth Union is losing a thirty-year-long war with the Krag Hegemony.

Having encountered the Krag before, Space Commander Max Robicheaux now faces daunting challenges aboard the USS *Cumberland*: the dangers from the enemy without...and clashes with crew *and* superiors within.

Meanwhile, Doctor Sahin receives a coded message summoning him to a secret meeting that aims to forge an alliance that could change the balance of power in Known Space. But first, he must circumvent the fighter ships and heavily armed troops of the traitorous emir bent on killing him before he reaches the negotiating table.

Both men must call upon their developing skills and growing friendship to bear the burden of carrying between the Krag Hegemony and the Earth Union a fateful ultimatum and the shocking answer—an answer that could spell eternal slavery, or even extinction, for all humankind.

The second novel in the Man of War series, *For Honor We Stand* continues the galactic naval adventures of Robicheaux and Sahin.

Revised edition: This edition of *For Honor We Stand* includes editorial revisions.
