## **Love on Tap** Karis Walsh

Archaeologist Berit Katsaros travels the world in search of treasures from ancient times. A serious injury forces her to take a break from fieldwork and accept an interim teaching job at Whitman College. She finds nothing redeeming in her frustrating sabbatical...except her sexy landlord, Tace.

When Stacy "Tace" Lomond takes charge of her brother's failing microbrewery, she discovers a passion and talent she never realized she possessed. After years of putting herself last and supporting others' dreams, she's ready to make a name for her artisanal beer among the academics and sophisticated wineries in Walla Walla, Washington. Berit might be a tempting distraction, but she's only a temporary fixture in town and in Tace's life.

Slow-crafted beer and time-worn artifacts. Both women recognize what's important in their careers, but can they learn to appreciate the value of love?
