But little did she know that the changes that were about to come about were unlike anything she ever expected. One night, true feelings arise, and soon the two of them have tension between the other, along with new feelings.

Cameron wants her. He's unhappy with his marriage, but is unable to get out of it. After a passionate night, the two of them have a great set of encounters together, but it leads to a bigger problem for them. She gets pregnant, and Cameron wants to keep it. He's willing to put it all on the line, but Alana tells him no. Will the two of them work it out together and figure out a good solution?
