Sadism & Masochism: The Philia Files Lilith Lo

**Doctor Pyre has been a Fetish Therapist for a number of years. The Philia Files are Doctor Harmony Pyre's Case Studies.**

Jake, Doctor Pyre's newest patient, soon discovers that her daring approach to Fetish Therapy isn't meant to help one put aside their desires and move past them; her approach to therapy is meant to help one embrace their urges and explore them to the fullest.

Excerpt:

**I stood and turned, taking a black box from the surface of my desk. I walked across the room and handed it to him. "This is where we get to see just how real you would like things to be. Where the traditional therapy-on-the-couch becomes obsolete and things get intensely real."**

**I returned to my low-back office chair. "Go ahead and open it."**

**He held it in his lap, studying the rough-hewn surface. "What's in the box?"**

**Crossing my legs, I brought one finger to my chin. "Satisfaction."**

"Sadism & Masochism" is an intensely hot, two-part short story.
