It's all about that second chance... The Butterfly Garden is Book Six of That Second Chance Series. (These are stand-alone stories tied together by a common theme- belief in the beauty of that second chance.)

Sometimes love happens when you least expect it... Jenny Romano has never been a white-picket-fence, happily-ever-after girl. Despite a mother who rejected her free-spirited, unique ways as irresponsible and just plain wrong, Jenny has found happiness as a photographer, flitting around the country and snapping photos of other people's lives. Her older sister, Grace, has a husband, children, and a carpool schedule. She's the one their mother calls "perfect." But when tragedy strikes her sister's carefully constructed life, Jenny must step in and offer support. Soon, she finds herself in the sort of small-town suburban life she swore to avoid...

Psychologist Elliot Drake spends so much time healing other people's pain and witnessing the backlash of caring too deeply that he prefers to keep his own relationships short and bittersweet. He's loved and lost once and with a young daughter to raise, he's not willing to risk his heart again. But he's never met anyone quite like Jenny. Outrageous and unpredictable, she's a force of nature-not at all like her well-controlled older sister. Suddenly, Elliot isn't so sure that short-term is what he wants... Taken by surprise and unsure of the next step, Elliot and Jenny are about to discover that real life happens whether you want it to or not. Will they let real love happen, too? That Second Chance Series: Book One: Pulling Home Book Two: The Way They Were Book Three: Simple Riches Book Four: Paradise Found Book Five: Not Your Everyday Housewife Book Six: The Butterfly Garden

From reader reviews:

Charles Anthony:

Information is provisions for those to get better life, information nowadays can get by anyone in everywhere. The information can be a knowledge or any news even a huge concern. What people must be consider whenever those information which is in the former life are hard to be find than now could be taking seriously which one would work to believe or which one the resource are convinced. If you get the unstable resource then you have it as your main information there will be huge disadvantage for you. All of those possibilities will not happen within you if you take [(The Butterfly Garden : That Second Chance, Book 6)] [By (author) Mary Campisi] published on (January, 2014) as your daily resource information.

Susan Martinez:

People live in this new day time of lifestyle always try to and must have the free time or they will get large amount of stress from both lifestyle and work. So , whenever we ask do people have free time, we will say absolutely sure. People is human not really a robot. Then we ask again, what kind of activity have you got when the spare time coming to an individual of course your answer may unlimited right. Then do you try this one, reading books. It can be your alternative within spending your spare time, the book you have read is definitely [(The Butterfly Garden : That Second Chance, Book 6)] [By (author) Mary Campisi] published on (January, 2014).

Judy Marinez:

Are you kind of hectic person, only have 10 or 15 minute in your morning to upgrading your mind talent or thinking skill even analytical thinking? Then you are experiencing problem with the book than can satisfy your small amount of time to read it because pretty much everything time you only find e-book that need more time to be read. [(The Butterfly Garden : That Second Chance, Book 6)] [By (author) Mary Campisi] published on (January, 2014) can be your answer given it can be read by a person who have those short free time problems.

William Henderson:

Is it a person who having spare time then spend it whole day by means of watching television programs or just lying down on the bed? Do you need something new? This [(The Butterfly Garden : That Second Chance, Book 6)] [By (author) Mary Campisi] published on (January, 2014) can be the answer, oh how comes? A book you know. You are and so out of date, spending your spare time by reading in this new era is common not a geek activity. So what these ebooks have than the others?
