## **Collision Course** C. P. Rowlands

Brie O'Malley, successful author and college professor, isn't sure if she believes in destiny in a universe where a random act of violence extinguished her happy-ever-after. The life she had, the woman she loved, the future she was planning for, were stolen from her the day she and her lover were shot. The only survivor, Brie has "recovered" two years later, at least that's how it seems to others. She is dedicated to her work, volunteering in the community, and researching her next historical novel. Yet she hasn't laughed since the tragedy. Until the day she meets Jordan.

Skateboarding to show her two kids how an expert does it, Jordan Carter can't believe her bad luck when she collides with beautiful blond Brie and meets her later at the hospital. A carpenter and partner in the family business, Jordan has also struggled to pull her life together after a tragedy.

Neither woman is looking for or expects a second chance at love but each must make a decision about the past that will open a door to the future.
