Our society has become trapped in "me-focused" mindsets, pushing God further into the backburners of our lives. However, pastor/author Jerry King believes we need to make the choice of you or the Kingdom and his new book, *It is Not About You! It's About the Kingdom*, is to influence kingdom living and living selfless faith. The central discussion point of the book is about the conflict between good and evil; two kingdoms Christians find themselves with in daily. The evil strategies of Satan, producing dangerous strongholds in our minds, while the good is establishing a right relationship with Jesus through step to make a covenant with God. Jerry also shares his inspirational testimony of God's miraculous healing of his heart and his involvement with helping couples find biblical marriage solutions. The choice is ours: choose to put us first or put God first and see how His purposes emerge.
