Paintings of Pablo Picasso

This is a collection of thirty seven paintings by Pablo Picasso with titles and dates.

Picasso was a Spanish painter, draughtsman, and sculptor who lived most of his adult life in France. He is best known for co-founding the Cubist movement and for the wide variety of styles embodied in his work.

His revolutionary artistic accomplishments brought him universal renown and immense fortune throughout his life, making him one of the best-known figures in 20th century art.

Picasso demonstrated uncanny artistic talent in his early years, painting in a realistic manner through his childhood and adolescence; during the first decade of the 20th century his style changed as he experimented with different theories, techniques, and ideas.
