Mistress Vanessa's Pets Episode 1 – Bisexual Menage Alien Romance

In a time when witches, warlocks and werewolves walked among us and while the alien Hroth migrated to our world, the young Dr. Marla Navarro found such unexpected and such different love. With her star-man, Laird and her wolf-man, Jason, she tried to carve out a quiet life on a rustic farm in rural New Hampshire. Hidden from the world's judgments and prejudices, the three want only each other – and to escape from their storied past.

But when a pretty pink letter arrives one summer's day, everything changes. Mistress Vanessa Kitteredge, a Russian beauty of a witch offers Marla a handsome price for Jason's 'services'.

What follows when the lovers refuse is a tale of intrigue, abduction, betrayal and the threat of such terrible loss.

Mistress Vanessa's Pets Episode 2 – Lesbian Menage Werewolf and Alien Romance

Trapped in Mistress Vanessa's dungeon, Marla watched in horror as the vile witch magically transported away, abducting her werewolf lover Jason, and the traitor Janet's wife. Before she can even think of planning a rescue, Marla must come to terms with Janet, and find a way to release her alien love Laird from his encasing stasis field.

Their journey takes them from the lonely forests of Maine to an ancient palace in the Syrian Desert. On her quest, Marla compels the assistance of a talking android head, is seduced into a lesbian affair, reunites with a love-struck sex-shifting alien, and is forced to pleasure a licentious celebrity werewolf.

But when a sassy young Japanese princess becomes her thrall, Marla faces a final betrayal which will force her and her companions into slavery as Mistress Vanessa's Pets.

Aileen 1 –Menage Alien Romance

Aileen Miroki is a woman who graduated recently from one of the country's most prestigious astrophysics program. Having always gone above and beyond, Aileen is invited to test pilot a machine that takes her onto

another planet.

Upon returning home to Ohio, she learns terrible news about her father's death, which leads to her inheritance of the Tower Cadet, a powerful spacecraft that can save mankind. Aileen is partnered with two aliens who are the first two creatures she ever met from outer Earth. They are completely sentient—but each a different species. The two aliens, Raegnor and Bearyan, quickly become more than comrades on her ship. The three travel across the galaxy and land on the desert planet Woes Ęan to find two alien life forms running for their lives. If the team can locate a biological nanodevide, they can prevent a future catastrophe from happening on Earth. Torn between Bearyan and Raegnor, Aileen can only hope they will escape Woes Ęan alive.

Aileen 2 –Lesbian Alien Romance

Aileen Miroki can only stay on Earth for a short time before she must take her ship, The Titan Cadet, back into outer space in order to outrun the Intergalactic Armada. On her last mission, one of her crew members and lovers stole something valuable from the planet Woes Ęan. However, since Aileen was the leader of the mission, all of the blame for the theft fell on her.

On her way to the hidden forest planet of Ęlvis, Aileen finds a small creature that she must save from a vicious, dinosaur-like beast. Soon, Aileen learns that she is the one who needs saving, and realizes that her savior is a woman named Torenna, a telekinetic and beautiful blue native of Ęlvis.

When Torenna passes out after defeating the beast, Aileen takes her back to The Titan Cadet. After they fall in love with each other, the Intergalactic Armada finds Aileen's ship, and Aileen must take Torenna away from her home planet in order to save both of their lives.
