Excerpt:

Mr. Anderson asked if she had been letting those college boys fuck that tight pussy she had. Alexandra said "No", I told you I had to focus on my studies. Mr. Anderson just laughed and said yeah I bet you do. He then began saying, I bet when you are in that short cheerleader outfit those boys are looking you up and down and you love it, don't you. I will find out if those college boys have been fucking my little slut and then he pushed her legs apart as she tried to close them but instead closed them around his head. He took her clit into his mouth biting and sucking as the pleasure gave way to her force of trying to keep him away. Her juices began flowing as Mr. Anderson licked them all up, humming and moaning to vibrate the feeling in her clit as it grew between his lips. Alexandra was almost at the peak of orgasm when Mr. Anderson took his lips off her engorged clit.

Alexandra felt frustrated and asked why he had stopped. He laughed and said but you avoided me for several weeks and think I should pleasure you after your behavior. He then asks her, do you want to feel the pleasure again. She pleads with him saying she needs to feel it again and will do anything he asks of her, if he will just finish. He picked her up throwing her over his shoulder and carried her back to the truck. She asked where he was taking her and he said well you want to feel the pleasure don't you my greedy little slut. She said yes please give it to me now. He said no you must first pay the consequences for your behavior lately.

They arrived in front of what seemed to be an old factory building, as the truck came to a stop Jeff said now we are ready. He led her into the building where it looked like a studio of some sort. He grabbed and squeezed at her ass as he pushed her forward towards a bench. He pushed her down onto the bench lifting her skirt up then cutting off her panties to expose her ass and cunt to him. Jeff says slut I don't know why you had to misbehave in the manor you did when I promised you I would train you well. He pulls her up, lowering her skirt then unbuttoning her blouse, pulling her bra off. He begins pinching and squeezing her nipples, until they were at full erection. He pushed her forward again onto the bench raising one of the boards and having her kneel to the floor. He places the other board on top of her tits putting them into the clamp and tightening them so they squeezed her firm tits in place leaving just her nipples stuck out the other side. Alexandra yelps in some pain but it soon subsides. Jeff then places a board between her knees forcing her legs wide apart.

Jeff then says to her you understand you must be punished for not obeying orders my slut and Alexandra shakes her head yes. Jeff comes behind her wanting her not to expect what was soon to come. He teases the girl, at first he rubs her clit and he laughs saying awww my slut is so wet for me isn't she. Alexandra does not respond as Jeff gets angry and takes a long whip on a table and lashes it between her legs, hitting her tight wet cunt she cries out. Jeff then says you will answer slut when I ask you something. Alexandra muffles the words between her lips saying yes sir. He says much better, now are you my slut, and she quickly says yes sir.

Jeff walks into an open door way returning quickly with a small stick that has several leather strands from the end of it. He stands in front of her, then tweaks each nipple, pulling them out as far as he can till she

whimpers with pain. He then takes the stick and "swish" "swish" "swish" "swish", he strikes each engorged nipple with the leather strands sending pain but pleasure too through Alexandra's body. He then says, "Do you now understand what happens when you don't behave my slut?" Alexandra replies quickly yes sir I understand. Jeff then gets behind her massaging the outside of her pussy lips as she bucks and tries to grind into his hand. Jeff slaps her ass and says you are a hot little sl
