*Success! in Understanding EKG's*, was created to help students pass the EKG course. This study guide emphasizes the practical, hands-on application of EKGs that will help students better prepare for their exam. To aid student understanding of the material, the authors include refresher material, art to illustrate the important concepts, 100 rhythm strips with scenarios, and 400 rhythm strips for additional review. The guide emphasizes “keeping it simple” and provides “need to know” information. With its abundant practice strips and scenario based examples, this workbook can be used to supplement any EKG text on the market. This is a perfect resource for prehospital care providers, medical students, cardiac care monitor techs, ACLS candidates, nursing professionals, physician assistants, and respiratory therapists.
