Vapor al norte, tren al sur (Coleccion Sociedad y Cultura) (Spanish Edition)

Sagredo Baeza Rafael

Vapor al norte, tren al sur (Coleccion Sociedad y Cultura) (Spanish Edition) Sagredo Baeza Rafael "Vapor al norte, tren al sur", aborda un tema hasta ahora no considerado por la historiografía como lo es el estudio y explicación de los viajes gubernamentales ocurridos en el Chile decimonónico. Interpretados como una práctica política promovida desde el poder destinada a captar la adhesión y la simpatía popular, a través de ellos se analizan los cambios producidos en el sistema político chileno que, en la época de Balmaceda, hicieron posible novedosas formas de representación del Presidente y la expansión de su base de apoyo, así como también la dilatación del espacio público nacional y la expresión de nuevos actores políticos.
