Dave Davidson's heart is in the right place. He believes it's his mission to cure his friends of their fears. But his solutions are hare-brained at best and often come with unintended and hilarious consequences. Afraid of dancing at the school dance? Dave's got ways to fix that: sprain an ankle, eat expired food to get sick, or even get yourself suspended for a few days. Have a public speaking phobia? Dave can fix that for you too: get laryngitis, forge a note from a therapist, or get your friends to hold up cue cards. This hilarious new novel will appeal to reluctant tween readers, especially boys.
